47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Please dont allow AT&T to turn into another single conglomerate. Sonic is absolutely fabulous.

I have had no issues since it was connected to my home over two years ago and I wish you would look into this more closely before you make a decision .

We need competition because thats why Sonic is able to attract AT&T customers because of a less expensive monthly charge, and for better service too.

Thank you,
